

COTTON AUSTRALIA
Advancing Australian Cotton

COTTON PICKER ESSENTIALS TRAINING

Real Skills Ag Training will deliver 10 free workshops across Queensland cotton producing regions, enabling Queensland staff from cotton growing businesses to be upskilled in cotton picker operations.

The workshops will see a heavy focus on safety, problem solving and general operation of all models of John Deere round module building cotton pickers. Participants will receive season long access to the course content videos.

10 WORKSHOPS

ACROSS QLD COTTON PRODUCING REGIONS
