“BE BOLD”

Regional Women’s Workshop:
Emerald, Dalby, Moree & Griffith

Resilience – Confidence – Leadership

We all have ideas. We all need goals.
Learn how to turn ideas into goals and goals into achievements
in this practical workshop, with follow-up support.

“We are excited to be able to provide women with an opportunity to come together in their own community on an enrichment journey – At no cost to participants due to the generous support from CRDC.” Wincott Chair Bee Fing
